Vaccination Policy

Due to the national increase in preventable disease, the health care providers of Hatboro Pediatrics, PC, have changed our vaccine policy since March 1, 2015. We strongly disagree with delaying or "splitting up the shots." This goes against medical advice. As health care providers we will not approve deviations from a vaccine schedule developed and established using years of evidence-based data. If you refuse to vaccinate your child according to our vaccine schedule, we will respectfully ask you to find another health care provider.

By signing this document, I acknowledge that I have read this document and will follow as scheduled. Failure to complete this schedule as written will result in dismissal from the practice.

Missed Appointment Policy

We want to thank you for choosing Hatboro Pediatrics, PC.

To provide your child and our other patients with the best care, we ask that you follow our guidelines regarding canceled/rescheduled appointments. Please note that we have reserved an appointment time specifically for your child.

Missing an appointment without notifying the office creates a missed opportunity for us to help another patient. We ask that you make every effort to keep your scheduled appointment and to arrive on time, if not early.

We do understand that circumstances arise when you are unable to keep your appointment due to a serious emergency. We ask that you provide us with 24 hour advance notice of cancellation and or rescheduling appointment. This will enable Hatboro Pediatrics, PC to offer your appointment time to another patient.

Our office policy is to discharge patients from the practice **that have three or more no-call/no-show visits per family**. This means an appointment was scheduled and the patient never showed and did not provide the office with prior notification that the appointment would be missed.

Please note our discharged policy encompasses the entire family being discharged as the result of three or more no-call/no-show appointments.

Hatboro Pediatrics, PC will not get involved in legal issues involving divorce, separation, or custody agreements. It is not Hatboro Pediatrics' responsibility to communicate visit information to each custodial parent separately. Hatboro Pediatrics, PC medical providers, will not call the non- attending parent following visits.

Additionally, we will not call the other parent for permission regarding appointments scheduled, restrict either parent's involvement in the patient's care unless authorized by law, or tolerate appointment scheduling/canceling behavior patterns between parents.

Payments, including co-pays, deductibles, coinsurance, or any additional fees charged by your insurance, are due at the time of service, regardless of which parent is responsible for medical expenses. We are not a party to your divorce agreement. We will collect payment from the parent who brings the child to the visit.

If the divorce decree requires the other parent to pay all or part of the treatment costs, it is the authorizing parent's responsibility to collect from the other parent. If we feel any of the above points are becoming an issue at the office and compromising patient care, we have the right to discharge the family from the practice.

By signing this form, you agree to honor the above policy and understand that breaking this agreement may result in being discharged from Hatboro Pediatrics, PC.
