

Welcome to Hatboro Pediatrics!

We are excited to welcome your family to our practice and look forward to caring for your child. To help us prepare your child's chart and provide the best possible care, please complete the checklist below. Once we receive the requested information, a provider will review your child's records and our office will contact you to schedule your first appointment.

New Patient Checklist

Please complete the following items so we can create your child's medical chart:

- Previous Well Visit Records
 - Children over age 3: Last three well-child visits (annual physicals)
 - Children under age 3: All well visits from birth to present
 - Records may be faxed by your previous pediatrician to: 215-441-5661

- Immunization (Vaccine) Records

- Copy of Active Insurance Card (Front and Back)

- Update Your Child's Primary Care Provider (PCP)
 - If required by your insurance, please change the PCP to Hatboro Pediatrics
 - After the change is made, please notify our office so we can verify it
 - Insurance updates may take 24–48 hours to appear in the system

- Complete our New Patient Packet(Required for Each Child)
 - Demographics Form
 - Health History Form
 - Forms can be downloaded at www.hatboropediatrics.com (New Patients section)
 - Forms may be emailed to forms@hatboropediatrics.com or brought to the office
